The Honorable Kay Granger

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Virginia Beach and Vicinity study as authorized by the Water Resources Development Act of 2020 in fiscal year 2022.

The entity to receive funding for this project is USACE Norfolk District; located at 803 Front Street, Norfolk, VA 23510.

The funding would be used for a study that would analyze the flood risk threats from sea level rise, coastal storm surge and rainfall events & will develop watershed-based mitigation solutions to reduce flood risk in portions of the cities of VA Beach, Norfolk, and Chesapeake, Currituck County, North Carolina, and the Joint Expeditionary Base at Little Creek-Fort Story.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Elaine G. Luria
Member of Congress
